## You Must Pick a Classification if you want to Exhibit in the Gallery

The Madison Art Club Gallery can only operate the Gallery with the cooperation of it's membership in the staffing of the Gallery. The club is asking you to pick a classification as to your exhibiting status in the Gallery. Before you decide we ask you to remember no one will sell work in the Gallery if the doors are not open, in order to keep the doors open we need people to work the Gallery.

Read the following carefully before you make your decision.

## A Working Exhibitor

Is an artist that takes a turn in the staffing of the Gallery or has an approved person work in their place each month. They must sign up to work one day per month by the 21st of the preceding month.

Note: Many members sign up months in advance, so don't be caught with not much to pick from, sign up early.

A **Working Exhibitor** pays **no commission** on the sale of original work in the Gallery, and pays a monthly rent of \$15.00 a month.

**I wish to be classified as a Working Exhibitor**

## Exhibitor Only

Is an artist that wishes to only exhibit and is not willing or not able to work in the staffing of the Gallery.

A **Exhibitor Only** pays No Commission on the sale of original work in the Gallery, and pays a monthly rent of \$30.00 a month.

**I wish to be classified as a Exhibitor Only**
