**Artist Members Only**

The Madison Art Club produces a lot of advertising material in the course of promoting events, exhibits, and programs during the year and it is to our advantage and yours that we be able to use images of art work done by our members. If you are an artist member in the Madison Art Club we would like to have your permission to reproduce items from time to time. These promotional items will be limited to the advertising of the Club's Gallery, events, exhibits, and programs only. In producing these advertising items the Madison Art Club will do everything it can to present your work in a very tasteful and professional manor, and in no way will try to sell reproductions of your work without a separate written consent signed by you the artist. This is for advertising only! I agree to this by signing below to allow the use of images of me and my work in advertising items for the Madison Art Club.

**Artist Members Wanting to Exhibit in the Gallery**

The Madison Art Club membership is growing at an unbelievable rate, with most artists wanting to exhibit their work. The Club is trying to accommodate the membership, but your help is needed. The Club is now maintaining a list of artists that wish to exhibit or want additional space in the Gallery and are willing to give a signed commitment to a space before it becomes available. By maintaining this list we can take advantage of additional space that becomes available for the exhibiting of art work by our membership. This does not cost anything now, it is only a way of letting us know who and how many members want space.

I am willing to commit to a 6 month lease of space in the Gallery and want my name placed on waiting list. **Yes**  **No**

**You Must Pick a Classification if you want to Exhibit in the Gallery**

The Madison Art Club Gallery can only operate with the cooperation of it's membership in the staffing of the Gallery. The club is asking you to pick a classification as to your exhibiting status in the Gallery. Before you decide we ask you to remember no one can sell work in the Gallery if the doors are not open and in order to keep the doors open we need people to work the Gallery. Read the following carefully before you make your decision.

**Working Exhibitor**

Is an artist that takes a turn in the staffing of the Gallery or has an approved person work in their place each month. They must sign up to work by the 21st of the month before. A Working Exhibitor pays NO commission on the sale of original work in the Gallery, and pays a monthly rent of \$15.00 a month.

**Exhibitor Only**

Is an artist that wishes to only exhibit and is NOT willing or not able to work in the staffing of the Gallery. A Exhibitor Only pays No Commission on the sale of original work in the Gallery, and pays a monthly rent of \$30.00 a month.

I wish to be classified as a **Working Exhibitor**  **Exhibitor Only**  **Not Planning on Exhibiting**
